

# *European Journal of Surgical Oncology* available on iOS and Android:

It just got a whole lot easier to keep up with the most important advances in the science and practice of nutrition and the links to surgical oncology. YEJSO is now **available for iOS and Android**, bringing you the convenience of reading your favorite journals from anywhere in the world with just a tap.

- Stay ahead with alerts when new issues are available and read Articles in Press throughout the month
- Enjoy Open Access and Open Archive Content without having to login
- Accessibility support to assist the visually impaired
- Interact with figures, tables, multimedia and supplementary content
- Take notes, highlight articles and share via email and social media
- Personalize your experience with My Reading List and save articles for offline reading

Download the *European Journal of Surgical Oncology* Mobile App on all your devices:

Download from [iTunes](#)

Download for [Android](#)

**To Claim Access:**

## **How do I register/create an account?**

From the Journal Website or Mobile App:

- If you have previously registered, you can SKIP this step and follow
- Go to <http://www.ejsoc.com/> and select Activate Online Access
  - Located under dropdown for Journal Info on the tool bar
- Click **Register an Account**
- At the **Register for a New Account page**, provide a password and all the requested profile information. Select that you have read the Terms of Use and click Register. **You are now registered.**
- Your email address is now your user name unless otherwise specified

## **How do I claim?**

On the Claim Online Access page, select your best option

Society Members:

- Select **I receive my subscription through a society membership**
- Select your society
- Enter either your membership number or account number and your last name. Then click Activate Claim.

Non-Member Personal Subscribers:

- Enter your account number and last name. Then click **Activate Claim**.

## **How do I access full-text content on my app?**

From the Setting menu, click Login after you completed the above two steps on the website
