

You are invited to attend
4th Portsmouth TME Symposium

March 8-10, 2018
at IBM Portsmouth

4th TME Symposium, 9-10 March 2018, Portsmouth

Day One - 9th March, Friday

On site registration	0800
Welcome and Reception	0815
Mike Thompson / Jim Khan	
 Revision & Updates	 0830-0945
Chairs: Roger Gerjy / Simon Ng / Marcos Gomez	
1- Surgical anatomy of the rectum & pelvis	Slawomir Marecik
2- Role of bowel preparation in rectal cancer surgery	Antonino Spinelli
3- Pathology- the key to quality improvement	Nicholas West
4- Vision is the key – HD, 3D and 4K digital surgery	Manish Chand
5- TEM in rectal cancer surgery	Savvas Papagrigroriadis
 Key Note Lecture 1	 0945-1015
Introduction by Prof Roger Motson	
<u><i>Innovations in Robotic Colorectal Surgery</i></u>	
Prof Simon Ng, Hong Kong	
 Coffee break in Exhibition hall	 1015-1035
 Controversies in TME Surgery	 1035-1150
Chairs: Roger Motson / Joseph Nunoo-Mensah / Petr Tsarkov	
1- Lateral Pelvic Lymphadenectomy	Gyuseog Choi
2- Sphincter preservation in low rectal cancer	Yves Panis
3- Robotic or Laparoscopic TME	Paolo Bianchi
4- ESD for early rectal cancer	Pradeep Bhandari
5- Centralization of rectal cancer services	Omar Faiz

Key Note Lecture 2

Introduction by Tan Arulampalam

1150-1220

Complete Response after CRT, assessment, management and salvage options

Rodrigo Perez, Sao Paolo, Brazil

Lunch

1220- 1315

Live operating

1315-1530

Case 1- Transanal AR for rectal cancer Prof Lacy / M Chand / Borja de Lacy

Case 2- Robotic AR for rectal cancer Prof Choi / F Sagias / HJ Kim

Moderators: Jim Khan / Slawomir Marecik / Mark Gudgeon / Roel Hompes / Roger Motson

Coffee break in Exhibition hall

1545-1600

How do I do it?

1600-1730

Chairs: Mark Coleman/ Tan Arulampalam / Pawan Mathur

1- Robotic TME

Mark Gudgeon

2- TaTME for rectal cancer

Joep Knoll

3- Laparoscopic TME

Petr Tsarkov

4- Extended lymphadenectomy

Jim Khan

5- Endoscopic resection of ERC

Amyn Haji

End of Day One with feedback

1730

Symposium Dinner @ HMS Warrior

1900

You are invited to attend
4th Portsmouth TME Symposium

March 8-10, 2018
at IBM Portsmouth

Day Two - 10th March, Saturday

Welcome and coffee

0800-0815

Challenges in TME surgery

0815-0915

Chairs: Marcos Gomez / John Conti / Yves Panis

- 1- Obese patients
- 2- Stapling in the pelvis
- 3- SILS (single port surgery)
- 4- Intraoperative adverse events in Lap TME;
What, where, when and why?

Roger Gerjy
Danilo Miskovic
Talvinder Gill
Nader Francis

Recent advances in TME surgery

0915-1030

Chairs: Omar Faiz / Gyuseog Choi / Shwan Amin

- 1- Fluorescence guided surgery
- 2- TATME
- 3- ICG and perfusion assessment
- 4- Beyond TME
- 5- Mesentery & TME

HJ Kim
Antonio Lacy
Jonathan Foo
C Selvasekar
Calvin Coffey

The Royal College of Physicians & Surgeons

Glasgow Lecture

1030-1100

Introduced by Antonio Lacy

The importance of accreditation to optimize outcomes in rectal cancer surgery

Prof Steven Wexner, Cleveland Clinic Florida, USA

Coffee break in Exhibition hall

1100-1115

Radiology Debate:

1115-1140

Staging & Restaging of rectal cancer after chemoradiotherapy

Chairs: Richard Beable, Nicholas West, Talvinder Gill

A good quality MRI is all that a rectal surgeon needs

Gina Brown

Why equivocate – add in endorectal ultrasound

Antony Higginson

Keynote Lecture 4

BASO sponsored lecture for Precision Oncology Surgery **1140-1210**
 Introduced by Zaed Hamady, HPB Surgeon, Southampton

Four decades of TME surgery

Prof Bill Heald, Pelican Basingstoke, Champalimaud Foundation, Lisbon

Lunch **1210-1300**

Live operating 1300-1500

Moderators: Bill Heald / S Wexner / D Miskovic / Calvin Coffey / P Tsarkov/ M Thompson

Case 1 – Lap TME for rectal cancer Yves Panis / F Luvisetto

Case 2- Robotic TME for rectal cancer Jim Khan / A Ahmad

Coffee break in Exhibition hall **1515-1530**

Training Pathways for TME Surgery 1530-1615

Chairs: Nader Francis / C Selvasekar/ Danilo Miskovic

LapCo model Mark Coleman

Robotic training Jim Khan

TaTME training Program Roel Hompes

Story behind the success of a colorectal program 1615-1635

Chairs: Joep Knol/ Joseph Nunoo-Mensah/ Anjan Banerjee

Robotic colorectal surgery Shwan Amin

TaTME surgery Roel Hompes

Selected abstracts and Poster presentation 1635-1650

Chairs: Aryn Haji / Slawomir Marecik

Closure and Feedback 1700

Certificates – 12 CME points approved by the RCS England
