BASO~ACS ANNUAL SCIENTIFIC MEETING

on Sunday, 4th November

Venue: The Royal College of Physicians and Surgeons of Glasgow, 232-242 St Vincent Street, Glasgow G2 5RJ

This year we will be running an exciting Standalone Day with an excellent programme facilitated by the National and International experts in the field of cancer surgery at the Royal College of Physicians and Surgeons of Glasgow.

BASO will then join the NCRI Cancer Conference that provides a unique environment for interdisciplinary learning and the cross-fertilisation of ideas by bringing together delegates from all cancer disciplines and offering excellent networking opportunities.

There will be symposia, parallel sessions, plenary awards and workshops on both days. We look forward to welcoming you to the BASO Annual Meeting.

Day 1: Sunday, 4th November

BASO Annual Dinner

Date: 4th November 2018

Venue: The Royal College of Physicians and Surgeons of Glasgow

Join us for Dinner at Glasgow's most historic and elegant venue

General Information

How to get to the Conference Venue

By Air

Glasgow International Airport is located about 20 minutes from the city centre with frequent domestic and international services. A taxi terminal and airport bus service is located immediately outside the airport building. Prestwick International Airport and Edinburgh International Airport are both less than an hour away from Glasgow City Centre. Prestwick Airport is served by a train line that provides frequent services to and from the city.

By Train

Glasgow is served by two railway stations – Glasgow Queen Street and Glasgow Central

Station. Both are within a 10 to 15 minute walk of the College.

By Car

Glasgow is easy to get to by car although the motorways can get congested during peak times. A number of clearly signposted car parks are accessible and within walking distance of the College. There is a two-hour parking restriction on all city centre streets

Accommodation

Book your accommodation via www.peoplemakeglasgow.com/findahotel to find the best available rates.
